Our Budtenders are always here to answer any questions you may have. Next, you will receive an "Uber" like delivery tracking link via text to track your Budtender in real-time. That's it! *Simple, fast, and discrete as always!*

New to Cannabis?
 We'll do our best to educate you and help with appropriate dosing.

THC is the psychoactive component of cannabis which is responsible for creating the "high" experienced when consuming cannabis products.

We are a business based on referrals only, which means we love any and all referrals!

OUR FLOWER IS METICULOUSLY CULTIVATED BY A LICENSED AND LAB-TESTED MICRO-GROWER IN OREGON.

It is grown in small batches using only organic methods and nourishment from all-natural canna nutrients. Each batch is meticulously tested in a laboratory to ensure its safety for consumption. As a result, The GreenHut is proud to offer you the exclusive GreenHut Oregon Grown Flower, providing you with superb and endless enjoyment.
