SATIVA	<b>ALOHA EXPRESS</b> SATIVA LIVE RESIN 1G Aloha is a sativa strain that leaves users with an upbeat, energetic buzz that may also be helpful in treating pain such as migraines. Aloha Express is a cross of cross and citrus that brings a fresh experience similar to an island getaway. Its sativa effects can be a little much for some users, so those who are looking for less mental stimulation should be wary.	<b>STRAWBERRY COUGH</b> SATIVA LIVE RESIN 1G Known for its sweet smell of fresh strawberries and its expanding sensation that can make even the most seasoned consumer cough. Strawberry Cough is a potent sativa strain with mysterious genetic origins. This profile is thought to be a cross of Strawberry Fields and Haze. The skunky, berry flavors will capture your senses while the cerebral, uplifting effects provide an aura of euphoria that is sure to leave a smile on your face. Strawberry Cough is a great solution in times of elevated stress.
	<b>GHOST TRAIN HAZE</b> SATIVA LIVE RESIN 1G First bred by Rare Darkness, Ghost Train Haze is a sativa cross of Ghost OG and Neville's Wreck. With a sour citrus and floral aroma, GTH delivers a potent dose of THC to knock out pain, depression, and appetite loss. Some patients who may be prone to anxiety should be cautious of this heavy-hitter. Low doses are conducive to concentration and creativity, but you may notice some cerebral haziness as you smoke more. Overall GTH is a suitable strain for an uplifted and energetic high.	<b>PLUS THE FOLLOWING SATIVA STRAINS:</b> - Space Octane - Gushers - Platinum Rose
HYBRID	<b>GELATO</b> HYBRID LIVE RESIN 1G Gelato, aka Larry Bird, is a hybrid strain made by crossing Sunset Sherbet and Thin Mint Girl Scout Cookies. The effects of Gelato produce a euphoric high accompanied by strong feelings of relaxation. Consumers say the physical sensation comes on strong, but many find themselves still mentally agile enough to stay productive and creative during the day. Gelato gets its name from the fruity dessert-like aroma it smells similar to.	<b>APPLE FRITTER</b> HYBRID LIVE RESIN 1G Apple Fritter, a true hybrid strain, is known for its powerful and relaxing high. Put out by Lumpty's Flowers, Apple Fritter is a strain with secret origins. Those who enjoy Apple Fritter say this strain allows you to enjoy an evening without losing your cool. Apple Fritter has a flavor aroma that comes off as sweet and earthy with a light cheesy apple pastry influence. This strain induces a great happy, uplifted, and relaxed high throughout the day.
	<b>WHITE WIDOW</b> HYBRID LIVE RESIN 1G Known for its sweet smell of fresh strawberries and its expanding sensation that can make even the most seasoned consumer cough. Strawberry Cough is a potent sativa strain with mysterious genetic origins. This profile is thought to be a cross of Strawberry Fields and Haze. The skunky, berry flavors will capture your senses while the cerebral, uplifting effects provide an aura of euphoria that is sure to leave a smile on your face. Strawberry Cough is a great solution in times of elevated stress.	<b>PLUS THE FOLLOWING HYBRID STRAINS:</b> - Lemon Cherry Gelato - Gelonade
INDICA	<b>ZKITTLEZ</b> INDICA LIVE RESIN 1G Zkittlez is an indica-dominant mix of Grape Ape and Grapefruit that is crossed with an undisclosed strain to produce a candy-flavored profile bred by 3rd Gen Family and keep it cozy. The effects of Zkittlez are calming, leaving consumers focused, alert, and happy while simultaneously relaxing the body to help unwind any time of day.	<b>KINGS KUSH</b> INDICA LIVE RESIN 1G Apple Fritter, a true hybrid strain, is known for its powerful and relaxing high. Put out by Lumpty's Flowers, Apple Fritter is a strain with secret origins. Those who enjoy Apple Fritter say this strain allows you to enjoy an evening without losing your cool. Apple Fritter has a flavor aroma that comes off as sweet and earthy with a light cheesy apple pastry influence. This strain induces a great happy, uplifted, and relaxed high throughout the day.
	<b>GRANDDADDY PURP</b> INDICA LIVE RESIN 1G Granddaddy Purp is a famous indica cross of Purple Urkle and Big Bud. This California staple inherits a complex grape and berry aroma. Its potent effects are clearly detectable in both mind and body, delivering a fusion of cerebral euphoria and physical relaxation. While your thoughts may float in a dreamy haze, your body is more likely to find itself fixed in one spot for the duration of GDP's effects. GDP is typically consumed to combat pain, stress, insomnia, appetite loss, and muscle spasms.	<b>ANIMAL MINTZ</b> INDICA HYBRID LIVE RESIN 1G Animal Mintz is the offspring of Animal Cookies and SinMint Cookies. This indica bearing hybrid is ideal for combating symptoms associated with stress. The potent body high of Animal Mintz will have pain and anxiety float away, leaving consumers feeling relaxed and euphoric. This strain is a great option for movie night or as a way to unwind after a long day. With its true to strain minty flavor profile, it will be nearly impossible to put this one down.

AVAILABLE STRAINS (S) LIMONCELLO (H) SFV OG (H) APPLE FRITTER (I) BLUEBERRY KUSH

<b>LIMONCELLO</b> SATIVA AVAILABLE IN CA PREMIUM THCA DIAMONDS CARTRIDGE Limoncello is a sativa strain made by crossing The Original Lemonade and Cherry Pie. With a delightful flavor profile of lemon and cherry, and citrus overtones, Limoncello leaves consumers feeling calm and relaxed and with the nostalgic aftertaste. This strain produces compact green and purple buds with orange hairs and a thick coat of resin.	<b>APPLE FRITTER</b> HYBRID AVAILABLE IN CA PREMIUM THCA DIAMONDS CARTRIDGE Apple Fritter is an evenly balanced hybrid strain created by crossing Sour Apple and Animal Cookies. Its mouthwatering, super sweet fruity apple flavor and lightly cakey vanilla earthy undertones. This strain produces effects that slowly bring on a heavy body sensation, relaxation and ease. Apple Fritter may help relieve chronic pain, depression, insomnia, mood swings and stress.
<b>SFV OG</b> HYBRID PREMIUM THCA DIAMONDS CARTRIDGE SFV OG, also known as "San Fernando Valley OG" is a potent indica dominant hybrid of the OG Kush strain. Users describe the SFV OG high as one with an almost immediate onset of relaxing and sedative effects that leave you feeling moderately couch-locked with a light pressure in mid and body that is pain relieving. These effects are accompanied by a feeling of elevation and euphoria that is balanced by the deep indica effects. SFV OG may help with mild to moderate cases of depression, chronic pain due to injury or illness, muscle spasms, and stress. SFV OG has an aroma of tanginess with a slight touch of diesel and a hint of eucalyptus with a sweet diesel aftertaste upon exhale.	<b>BLUEBERRY KUSH</b> INDICA AVAILABLE IN CA PREMIUM THCA DIAMONDS CARTRIDGE Blueberry Kush is an indica strain made by crossing Blueberry and OG Kush. It has a lovely fruity sweet aroma and flavor true to its name, complemented with some light earthy undertones. This strain produces effects that slowly bring on a heavy body sensation, relaxation and ease. Blueberry Kush is a popular choice for evening use, as the dreamy effects will help you float into a deep sleep.
