## OUR STORY

Hops 44 is family owned and operated, built on bringing people together. What began with handmade pretzels and local craft beer has grown into a community hub known for BBQ, smoked wings, and game-day energy. With our food truck and tap truck, we bring the same flavors and spirit of community on the road. From cheering on the Huskies to hosting local events, Hops 44 is where Storrs comes to eat, drink, and celebrate.
