HOUSE & GROUND RULES

Health and Safety

1. The health and safety of our members, guests, and staff is paramount. All members and visitors to the Club shall be required to comply with all health and safety protocols adopted by the Board of Governors.
2. The Club has a lightning detection system that sounds a warning siren when lightning is detected in the area. When the siren sounds, all golf, tennis and pool activities must stop and everyone should seek appropriate shelter until the “all clear” is sounded. If the lightning alarm siren is not sounded, members and their guests should exercise good judgment in determining whether to seek shelter.

Technology

1. When on Club premises, phones should be set on “vibrate” or “silent.” If you must make or take a call, please use designated areas where cell phone use is permitted. These areas include inside the foyer coat room, the parking lots, the card room (if not otherwise in use), the pool locker rooms, and by the back fence at the Large Pool (signs will be posted).
2. Laptops, tablets and other devices may be used without audio to quietly “work from the Club” in specified areas, including the East Terrace on weekdays, between tennis courts 6 and 7, and by the Pool. Please be respectful of others in these areas, in particular to the members playing tennis.
3. You may take audio/zoom meetings using headphones only on the East Terrace (if not otherwise in use) and in the Grill Room so long as calls are kept to a respectful volume.

Children at the Club

1. Adults have priority over children in all areas of the Club, including the Clubhouse and locker rooms.

2. Children 5 years of age and older are permitted to use the Clubhouse dining facilities with their families, except on Saturday evenings unless it is a designated family event. Children must conform to adult standards of behavior and dress unless specified above.
3. During inclement weather, or when alternate dining facilities are not open, families or groups with children under 5 are welcome to use the Clubhouse dining facilities. Families or groups with children under 5 may be asked to dine on the East Terrace or in areas designated for family dining.
4. Children under 12 shall not be in any adult locker room unaccompanied at any time. Children under 12 who are accompanied by an adult may use the women's and men's locker rooms ONLY on Sunday and holiday evenings between 3:00 p.m. and 6:00 p.m. Children 5 years of age and older are never permitted in the locker rooms of the opposite sex.
