

DRESS CODE

Sunningdale's dress code is intended to ensure a pleasant atmosphere in which to enjoy the Club's facilities and services. An integral part of Sunningdale's tradition is the expectation that members, their families, and guests always be neatly attired and presentable.

Sunningdale's dress code establishes minimum standards that apply to Club facilities. **At all times, members and their guests must be appropriately attired and in conformance with the guidelines set forth below. Courtesy and a cooperative attitude in abiding by the rules are expected by all members and guests.** Prior to attending any activity at the Club, members are required to inform their guests of the dress code requirements and must ensure that their guests comply prior to their arrival.

If attire is not in compliance with the dress code, management will ask you to change.

In addition to the specific guidelines set forth below, the following general rules apply
